KOORINGAL FEAT

THREE TITLES IN FOUR YEARS LIFTS GOLFERS TO TOP

Next year local golfers will be playing pennant golf with the cream of Victorian amateur golfers.

By winning Division 2 of the V.G.A. senior pennant last Saturday, Kooringal Golf Club becomes the first club north of the Yarra to ever make Division 1—the top division in Victorian pennant golf. Playing at Keysborough, Kooringal defeated Woodlands 5-2.

Since 1963 when in Division 4 Kooringal has had an amazing run of success. Their record reads—

1963 won Division 4 pennant; 1965 won Division 3 pennant; 1966 won Division 2 pennant.

The club considers this feat must be unique in V.G.A. senior pennant.

The captain of the club, Ian Lang, is non-playing captain of the team which includes golfers Rod Caithness, John Oswald, Peter Boyle, Peter James, Jim Greenwood, Bob Slater and Norm Grant.

Throughout the season the players have had a strong following of devoted caddies, who gave up their own Saturday's golf to caddy for the team.

Solid support from members and associates was evident by the numbers who watched the final.

Results of the final were:
DIVISION 2
 (At Keysborough.)

Kooringal 5 d. Woodlands 2.—R. Caithness lost to R. Judd 2-1. J. Oswald d. T. Limon 4-2. P. Boyle lost to K. Richardson 4-3. P. James d. R. Nuttall 4-3. J. Greenwood d. B. Clay 3-2. R. Slater d. B. Stuart 1 up. N. Grant d. P. Richardson 1 up. The flag was presented by Mr Hugh Hamilton, a coun-

sellor of the V.G.A. who also presented the team with the Division 3 pennant last year.

JUNIORS ALSO BRING HOME PENNANT

The junior team decisively defeated Kingston Heath 5-0 in the final of Division 4 of junior pennant played at Rossdale, also last Saturday.

Brian Noblett is the non-playing captain and the team consists of Jim Cadzow, Peter Coster, Rick James, Ray Paton and Colin Reay.

The team received their pennant flag from Mr Crawford Cullimore, a V.G.A. representative.

KENNEDY WINS TOO

On Monday of this week Kooringal professional, John Kennedy, added to the local golfers week of success.

He defeated Cranbourne assistant, Howard McHutchison, and Bob Brown by one shot to win the pro-amateur \$130 purse at Croydon Golf Club.

SCORES: J. Kennedy 72, H. McHutchison, R. Brown 73, G. Flanagan 74, B. Huxtable 75, B. Twite 77, M. Murfitt, R. Jennings 78.

ALTONA PLAYERS DOMINATE WESTERN SUBURBS TENNIS CHAMPIONSHIPS

Local tennis players won half the titles in the 1966 annual championships of the Western Suburbs Tennis Association.

Ten titles were brought home by Altona players and out of these five of the grand final matches were all Altona games.

John Kennedy, Kooringal Professional.

Among the winners are two mothers, who are sisters-in-law, and their two sons—the Findlays and Trickeys.

Championships won by local players were—

A Grade Men's Doubles: Terry Olver and Wayne Hassett;

A Grade Mixed Doubles: Terry Olver and Jan Parkinson;

A Reserve Ladies Singles: Mrs Linda Findlay;

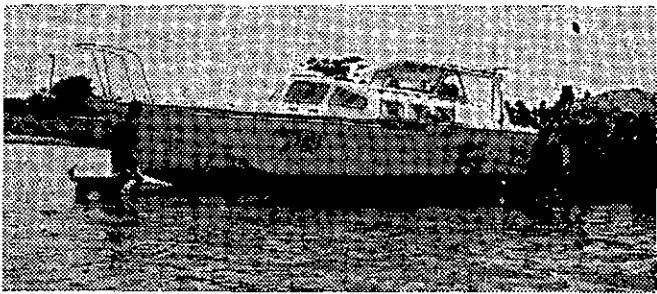

A Reserve Ladies Doubles: Mrs Linda Findlay and Mrs Pat Trickey.

ALTONA COUPLE LEAVES IN TRIMARAN FOR CAIRNS

20 feet wide yacht has been moored at Williamstown.

For the past three months Bruce, and his wife Kay, have been living aboard. They are being accompanied on the trip by another married couple.

Present plans are for a six months holiday trip to Cairns, but the party may decide to go to New Guinea.

All three yacht owners are members of the Trimaran Club, which originated in Altona and Bruce is a member of the Hobsons Bay Yacht Club.

Bruce is the elder son of Mr and Mrs Bartlett, of Civic Parade, and Kay is the elder daughter of Mr and Mrs J. Dolman, of the Esplanade.

One of the three trimarans which left Williamstown at 9.30 last Sunday morning on the first stage of a trip around the coast to Cairns was "Tiki," the American design trimaran built by Mr Bruce Bartlett at 99 The Esplanade, Altona.

Since the launching last November the 35 feet long and

BURGLARS LIKE BORRACK SQUARE

Non-existing street lighting and inadequate police protection are considered by shop-keepers in Borrack Square, Altona North, to be two of the main reasons for the number of illegal entries and attempts to enter made on their shops.

During the Square's short existence only one shop has escaped damage and loss caused by thieves.

C Grade Mixed Doubles: Robert Walker and Susan Morrow defeated Kevin Walsh and Judith Hill 10-5.

JUNIORS
 Under 16 Boys' Singles: Michael Kelly;

The Under 14 and Under 13 Boys' Singles were each contested by the same two cousins, and finished with very diplomatic results—one title each—

Under 14: John Trickey defeated Greg Findlay 8-3;

Under 13: Greg Findlay defeated John Trickey 9-7.

In the three weeks to May 5, five robberies were reported to Kingsville Police Station. Two of these were from the one shop—Brooklyn Newsagency, which only moved to the Square eight weeks ago.

Mr Hazelwood, men's hairdresser, was robbed of goods to approximately the value of \$57. In March he suffered a similar loss.

In July, 1965, shoes to the value of \$400 were stolen from Mr Jack Smith and a total of \$800 in stock and cash from Mrs Thelma Smith's baby wear shop. Last week attempts were again made to enter the backs of these shops.

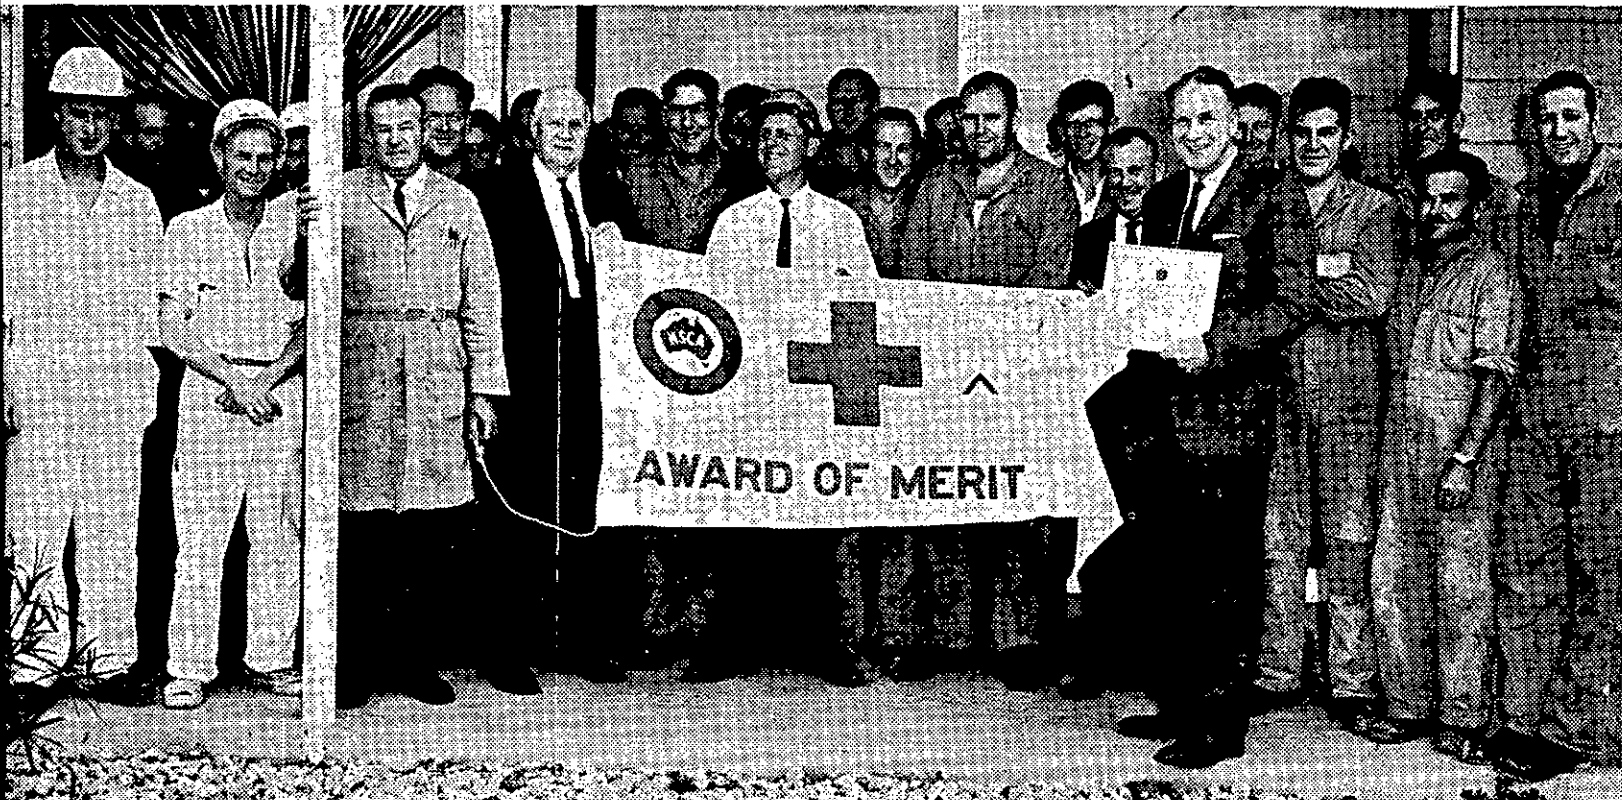

Many of the shops people in the Square have suffered more than one loss.

Entries have been effected from both the backs and the fronts of the shops.

The police report that during the past few months there has been an increase in the number of breaking and entering crimes committed in the Altona North and Newport West areas.

ALTONA COMPLEX ACHIEVEMENT

B.F. Goodrich-C.S.R. Chemicals Pty. Ltd., of Kororoit Creek Road, Altona, was recently presented with a flag and plaque to acknowledge "a quarter of a million" accident free manhours.

Mr. A. J. Collocott, O.B.E., of the National Safety Council, is shown here making the presentation to Safety Officer Bill Bates and Plant Manager John Brewster.

Employees who have now worked over 480 days and 375,000 manhours without a lost time accident, are well on the way to their next target—a "half a million" manhours.

"SEASPRAY" IN ALTONA

Scenes for the film "The Adventures of Seaspray" were taken off the Altona Pier yesterday.

The schooner "Seaspray," which recently arrived in Melbourne from Nelson, New Zealand, was moored to the pier and all day members of the company worked taking shots for the film.

Filming of a series of films involving "Seaspray" started last August in Fiji. Then followed New Zealand, now Australia, and they may continue to New Guinea.

The films will have a world wide distribution.

EDITORIAL

ELDERLY CITIZENS

The elderly citizen has but two problems—how to live and how to live happily. In the first he is helped by the pension and concessions for medical and hospital attention.

The pension may not be sufficient (it never will be), but it is bad if the position is aggravated by unnecessary cost of living increases. The Shire President, Cr. S. G. McIntosh, and Cr. G. den Dulk, were right in drawing attention to this in council.

To live happily must first depend on the elderly citizen himself (or herself) and those associated with him. At that age he is set in his ways—he has had a long time to develop his individuality. Many are above all lonely.

Here the elderly citizens' rooms and its people can be a great aid. Social companionship can make all the difference. There is no doubt it has done so in Altona.

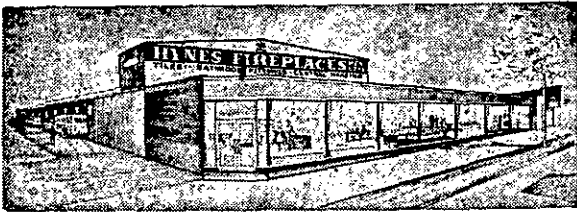

The provision of hot meals and transport for those who need it are also essential.

The appeal by the committee for financial assistance is most worthy.

The Elderly Citizens' Welfare Committee, which is in a position to see to the needs of these people deserves every support.

Those of us who are not in a position to give time and interest to elderly citizens' work can still help.

We are well familiar with the building in Sargood Street. We can realise the benefit gained by those who use it. If we can give let us give.

ALTONA WORKING MEN'S CLUB NEWS

Indoor Pennant Bowls Start

Tuesday, May 10, was the opening night for the 1966 pennant season of indoor bias bowls.

Forty-three teams from 11 clubs competed in the six sections in the North-West Area of the Victorian Indoor Bias Bowls Association.

AWMC has eight teams entered. One in each of Sections 1, 2, 3 and 4, and two teams in Sections 5 and 6.

The clubs participating in this competition include the following—

Ascot Vale Bowling Club (4 teams), Buckley Park Bowling Club (6), ICI Recreation Club (4), Altona Working Men's Club (8), Werribee Bowling Club (4), Essendon Social Club (4), Altona Bowling Club (4), Maidstone House of Happiness (3), Williams-town Elderly Citizens (2), Footscray House of Windsor (2) and Altona RSL Social Club (2).

Altona clubs are well represented in this competition with a total of 14 teams from the three clubs and all look forward to keen competition, good sportsmanship, enjoyable company and entertainment and may the best team win.

With the pennant competition in progress and a steady attendance of some 50 to 60 indoor bowlers at the club social games each Thursday evening, a greater need than ever is felt to provide more bowling mats to accommodate an anticipated increase in attendances, and also to have within the club the facilities to cater for more inter-club events.

To meet this situation two more bowling mats have been ordered which will then make a total of eight enabling the club to accommodate a minimum of 16 teams or 64 bowlers and also provide adequate facilities for future events in the indoor bowling activity.

CHAMPION OF CHAMPIONS COMPETITION

Members of the club indoor bowling section particularly will be interested to know that the club facilities will be made available to the North-West area of VIBBA for four nights during August and September for the Champion of Champions competition of this area, which includes all the clubs already listed in the indoor pennant competition.

The first series of elimination games will be played at the club on Friday, August 5, the second series on Friday, August 19, with the finals on Tuesday, August 23, and the grand final and presentation of trophies on Friday, September 2.

VISIT TO ADELAIDE

By last Thursday 10 members had indicated making the bus trip to Adelaide over the Queens Birthday holiday week end. Any more desiring to make this visit to the Adelaide clubs please contact Jack Gore.

PICTURE NIGHT

Tickets for the first picture night are selling fast, therefore to save disappointment make an effort to secure tickets this weekend.

The feature film for this show is "Under The Yum Yum Tree", a comedy in colour with Jack Lemmon and Carol Lynley.

Landlord Lemmon rents his apartments only to pretty girls. He is foiled, however, when a tempting girl trying to have a platonic friendship with her boy friend moves in. This film is a riot from start to finish.

There will be two shorts to complete the evenings program.

Admission is 50 cents; this includes tea and biscuits after the show, when views can be exchanged on the merits of the film.

This picture night is not open to the public. Admission will be by ticket only to members and friends. Tickets will not be sold at the door and all patrons must be over 21 years of age. Under no circumstances can children be allowed in the club.

FIRST CLUB DANCE

The first club dance will be held on Saturday, May 28, in the club building. The "Es-corts" dance band has been engaged for the occasion and a good evening is assured.

Tickets are now available at 75 cents each. This includes supper. As the application for a liquor licence is still pending liquor is not allowed, under any circumstances, to be brought on to the club site.

The management committee believes this dance can be successful and appeals to all members and friends to strictly observe the conditions, under which it is compelled to function until such time as the club is registered.

GARDENING SECTION

Next meeting of the section is Friday, May 13. An important item of business for this meeting will be the tree and shrub planting program.

STREET STALL

The Associate Section has organised a street stall for Saturday, May 21, in Pier Street. An appeal is made to all members to support this effort by supplying the necessary goods for the stall and also by patronising it on the morning of May 21.

SPORTS NIGHT

A mixed sports night will be held on Saturday, July 9, with a minimum of 16 teams of four players to compete in darts, indoor bowls, hockey, peg quoits and a novelty section.

Entrance fee for this competitive sports night is 30 cents each, or \$1.20 per team, with handsome trophies for each member of the winning team.

Members interested in entering a team for this mixed sports night are requested to give the names of players in each team to either Harry Gibson, Charlie Thompson, Bill Spence or Georgie McCallum.

Letter to the Editor

TRANSPORT FOR OUR ELDERLY FOLK

Dear Sir,

The Altona Shire Council has purchased, on behalf of the Elderly Citizens Welfare Committee, an 11 passenger Commer bus.

This vehicle is to be used only within the boundaries of the Shire for the transport of elderly infirm pensioners to and from their homes and the centre.

We greatly appreciate this generous gesture by the council and we, the elderly folk, wish to reimburse the council so as not to be a burden on the ratepayers.

Therefore, we are making an effort to pay for this bus by conducting competitions and making an appeal to our generous citizens of the Shire to assist us in achieving our goal.

All contributions will be acknowledged in the "Altona Star."

The old folks are carried absolutely free and it is a great blessing as these people are unable to use public transport as they cannot walk to buses and no private cars are available.

B. R. PRISMALL, Hon. Secretary.

BOYD-HARVEY MARRIAGE

Photo by Roper Studios, 314-5360.

Guests came from the far western district and Gippsland for the marriage of Kaye Lorraine Harvey and Anthony Keith Boyd at the Williamstown Methodist Church on April 23.

The bride, who is the elder daughter of Mr and Mrs R. G. Harvey, of Fifth Avenue, Altona North, wore a white satin gown made in straight classical lines. Her three tiered veil was held by a rhinestone coronet and she carried white carnations.

Bridesmaid Helen Harvey, the bride's sister, wore a long pink frock.

The groom is the son of Mr and Mrs N. Boyd, of McIntosh Road, Altona North.

Best man was Mr Geoff Kilner.

Among the 100 guests at the reception at the Civic Hall were Mr and Mrs Convy, of Portland and friends and relatives from Warragul, Traralgon, Willaura, Clarkfield and Yarram.

The happy couple are honeymooning on the Gold Coast for four weeks.

MARRIED IN SYDNEY

Mr. and Mrs. W. T. Smith of Sussex Street Seaholme were accompanied by one of their sons and two daughters-in-law when they went to Sydney for the marriage of their only daughter, Madeline, to Brian Parry at Our Lady of the Sacred Heart Church, Carlingbah, late in March.

The groom who is the son of Mr. and Mrs. A. F. Parry of Carlingbah is a quartermaster-gunner aboard the H.M.A.S. Vendetta. Most of last year he was on duty tours of Southeast Asia and only returned to Sydney one week before the wedding.

The bride wore a full length A line gown of white silk shantung embroidered on the bodice with drop pearls. A pill box head dress held her full length veil and she carried a prayer book and spray of lily-of-the-valley.

Bridesmaid Peter Anne Parry, sister of the groom wore a gown of pale pink chiffon over taffeta.

Best man was the groom's brother Richard St. Clair Parry.

A reception for 40 guests was held at the Royal Motor Yacht Club, Port Hacking. The groom's father is a former commodore of the Yacht Club.

CABARET NIGHT

A cabaret night to benefit Altona Youth Club will be held by the Altona Branch of the R.S.L. in their club rooms in Sargood Street on Saturday, 21st May.

Refreshments will be available and supper will be provided by the Youth Club Ladies Auxiliary.

Tickets, one dollar each, are available from Youth Club Committee members and the R.S.L.

CWA BIRTHDAY LUNCHEON

A very enjoyable day was had by the Altona Branch of the Country Womens Association when they celebrated their ninth birthday with a luncheon.

The president, Mrs White, welcomed the group president, Mrs Benson, of Heidelberg, and members of 11 branches—Essendon, Heidelberg, Kingsville, Northcote, Napier Park, Old Colonists, Preston, Pascoe Vale, Sunshine, Reservoir and Williamstown—attended.

The birthday cake was made and decorated by Mrs Ivy Gibson.

An interesting and informative talk was given by Mrs Fayers on "How Aid is Given to Women Prisoners."

Competition for a hat representing a song was won by Mrs Nan Griffiths, her entry being "A Stranger in Paradise." Second went to Mrs Ida Mead, "Keep it Under Your Hat" and third, Mrs Gibson's entry, "One Night of Love."

The visitors were then taken on a tour of the public library and the Elderly Citizens Club and it was very pleasing to hear the highly favourable and complimentary remarks on Altona's assets.

The next meeting will be held on June 6, owing to the usual meeting day being on Queens Birthday.

A cordial invitation is extended to any newcomers or ex-members who may wish to come along.

Members usually arrive by noon and bring their lunch, after which the meeting is then proceeded with at 1.30 p.m.

The secretary is Mrs K. Hook, 96 Civic Parade, Altona, telephone 65-8603.

Keep Fit Classes For Mothers

Keep fit classes for mothers are proving popular at the Seaholme Pre-School Centre in Parkside Crescent.

Held each Monday night commencing at 7.30 p.m. they are open to any interested ladies.

The charge is only 30 cents and at the conclusion of the class a revive cup of tea is supplied.

15th Melbourne Boys' Brigade

Members of the company attended a highly successful film night last Friday when shots of the recent camp were shown plus a batch of the old silent comedy films.

Despite the advances made in film-making over the past 25 years it was easy to see by the audience's re-action that these old films still have a great appeal.

Halfway through the evening Lieutenant Barry Douglas was presented with a dinner service, a wedding present for him from the boys. Barry was married on Saturday last and all wish him all the best for his future life.

Pies, cakes and lemonade were the order at the close of the evening and a sing-song concluded the night.

Plans are being made for a proposed expedition in the Jamieson district in about four weeks time and anyone interested is invited to inquire.

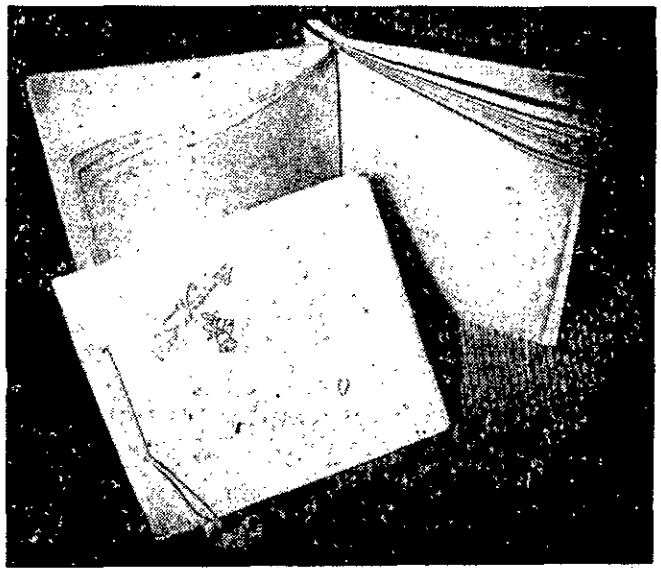

Inquiries may be lodged by calling in at the Christian Education Centre 7.30 p.m. any Friday night.

ALTONA HISTORICAL SOCIETY

A former resident of Altona, Mr C. Fenton-Boothroyd, recently presented to the Altona Historical Society a timber merchants' bill, dated Aug. 18, 1923, which he had found among some old papers.

The bill was for the addition of two rooms and a verandah to a cottage in McBain Street. The total cost, including all material, was £69-7-0 (\$138.70).

The Society already has a considerable collection of old photographs and documents connected with Altona's past, but additional items are always most welcome. The Society meets at 128 Queen Street on the third Wednesday in each month. The next meeting will be held on Wednesday, May 18, at 8 p.m., and an invitation is extended to anyone interested in the history of the Altona district.

junior committee organisers
are as follows—

- 1.—To improve communica-
tion between the school com-
mittee and pupils—giving the
pupils an insight into the
problems of "behind the
scenes" organisation in their
school;

- 2.—To give pupils the op-
portunity to air their views on
subjects related to the run-
ning of the school; and

- 3.—To give the children the
opportunity of active partici-
pation in making improve-
ments to their school.

It is hoped that this scheme
will, like the junior council,
foster the development of
good citizenship in the chil-
dren of Seaholme Primary

APEX CLUBS**Apex Clubs of Zone 1 have
presented \$2,000 to Group
Captain Leonard Cheshire for
his project for needy people in

Apex Clubs. It comprises 41
clubs in all, stretching from
the western suburbs to clubs in
country towns in South Australia.The money was presented to
Group Captain Cheshire, a
famous World War 2 airman
who is one of the initiators of
a centre, for the relief of suf-
fering in India.The zone president, Mr. Peter
Cram, of Casterton, handed
over the money at Coleraine,
Victoria. It was raised by con-
tributions from the clubs in the
zone. Eight members of the
Altona Club journeyed to Cole-
raine on the Friday night for
the presentation and were
hosted by the club for the
weekend.The governor of district 1
within zone 1, Mr. Jack Fos-
kett, of the Altona Club, re-
ported the \$2,000 contribution
at a ladies night conducted by
Sunshine Apex Club last Wed-
nesday.He added that the Apex
clubs could collectively do big
things.He said that the work of the
Overseas Service Bureau, which
had just been explained by
Miss Carole Fraser, formerly
of North Williamstown S.S.,
who spent a year teaching
children in New Guinea, ob-
viously met a need in other
countries.Mr. Foscett added that the
work could be given wide sup-
port within the Association of
Apex Clubs, if it was intro-
duced at district or zone level.**Bank Managers Re-
view Developments**The emphasis was on opti-
mism and progress at this
week's annual conference of
A.N.Z. Bank managers, which
took place in Melbourne.Mr. D. G. McQueen, the
bank's district manager, led
the discussions. He expressed
enthusiasm for Victoria's con-
tinuing overall development and
prospects and mentioned the
benefits which must eventually
flow to Australia as a whole
following the recent off-shore
oil and gas discoveries. The
point was made that, whilst in
the future some sectors of the
community may need to face
a period of re-adjustment, the
overriding consideration in as-
sessing the value of these dis-
coveries was the advantage
which would undoubtedly ac-
cure to the nation as a whole.**Staffing**Mr. L. T. Jackson, manager
of the bank's Kingsville branch
who attended the conference,
said that as with many other
industries, banks were experi-
encing difficulty in recruiting
sufficient numbers of boys and
girls to its staff. Accordingly,
A.N.Z. Bank's plans for a vig-
orous recruitment drive this
year. Mr. Jackson said that
the bank was always looking
for keen and energetic young
people to join the service. He
remarked that new entrants who
are eager for advancement can
expect early promotion in line
with the bank's rapid rate of
expansion. Salaries are attrac-
tive and competitive.The conference, which af-
forded managers the opportu-
nity of reviewing the current
economic climate, noted how
fortunate the State was in not
having experienced drought
as disastrous as those still pre-
valent in New South Wales and
Queensland.**ROTARY NEWS**Altona Rotary has adopted
a practical approach to foster-
ing tree growing in the minds
of local children.Each of the 680 children in
the second grade of each pri-
mary school in the Shire has
been given a tree to plant in
their own house garden.The trees were distributed
last week when the director of
the Natural Resources Con-
servation League, Mr. Edger,
visited each school with an
escorting Rotarian.Each speaker from Rotary
pointed out to the children
that as they grow and develop
so will the tree which they will
be tending.The second graders also re-
ceived certificates from the
Tree Lovers Association.The presentation of the
trees was one of Altona Ro-
tary's Community Service
Projects fund for which are
raised at social functions.**RAAF HOME TRUST
SEEKS TENANTS**Trustees of the RAAF
Veterans' Residences
Trust Fund are inviting
applications from ex-
members of the RAAF in
needy circumstances for
tenancy of flats at their
Sandringham estate.The flats were built with
prize money, originally \$58,000,
awarded for the part Aus-
tralian airmen played in captur-
ing enemy shipping during the
war. By careful investment
by the trustees, the fund has
grown to \$70,000. These funds
were made available by the
British Government after
World War II.Ten families will be housed
in the attractive, two-storey
brick units set in pleasant
surroundings in Brighton St.,
Sandringham. The land was
originally donated to the trust
by Sandringham City Council.Due to the influence of the
Minister for Air (Mr. Howson),
a wider scope in selecting
tenants has been agreed by the
Government. Generally speak-
ing, ex-members of the RAAF
and their widows are eligible
for occupancy as are certain
members of the RAAF Nurs-
ing Service and mothers of
deceased airmen.Present trustees are Mr. A.
E. Chadwick, chairman, who
is also chairman of the Gas
and Fuel Corporation of Vic-
toria and the Overseas Tele-
communications Commission;
the Air Officer Commanding
Support Command, Air Vice-
Marshal C. D. Candy, and
Mr. C. Keon-Cohen, Melbourne
barrister and a vice-president
of the Victorian branch of the
R.S.L.The secretary of the trust,
Air Commodore J. R. Fleming,
said this week:—"We believe this scheme is
unique in Australia, providing
private accommodation for
needy people with rentals as-
sessed on the ability to pay.The Sandringham estate is
the first, but as the activities
of the trust are Australia-wide
we expect that home units will
become available in other
States."The secretary of the trust
is keen to hear from ex-ser-
vicemen's organisations and
other bodies engaged in wel-
fare work—church, philan-
thropic, Legacy, Apex, etc.—who
may know of cases of neces-
sity among ex-RAAF members
which can be relieved by
assistance in housing.Information (in confidence)
should contain brief summar-
ies, including family and
financial details, and should
be sent to the Secretary,

Good Win for Altona at Home

A winning centre line and a strong defence helped give Altona a 31 point victory over Reservoir in the Metropolitan League football match played at Grant Reserve on Saturday.

Altona kicked into a strong gale-force wind in the first quarter and held the visitors to a small lead due to the brilliance of the back line, who cleared repeatedly and accurately.

The second term with the wind virtually won the game for Altona, who with accurate kicking, put on six goals for the quarter and gave them a lead which Reservoir could not overtake for the remainder of the game.

The wind dropped slightly in the third term, although still favouring the visitors and the locals gave a great exhibition of teamwork into the breeze to once again outscore Reservoir five goals to four.

The last quarter saw both teams striving hard to get the ball forward with mainly negative results and a hard slogging quarter with a couple of bad incidents spoilt what had been a good game up to this time.

HIGHLIGHTS

IAN HARRIS gave a faultless display at full back. Displaying uncanny anticipation in positioning for the ball, he repeatedly broke up many promising attacks. Ian as usual finished his long clearing dashes with prodigious kicking to position.

He was well supported by BILL DEVEREAUX in the back pocket. Bill was strong and tenacious and concentrated for four quarters. His long clearing kicks were also a feature of his play.

GEOFF EWEN upset the opposition on many occasions with bulldog determination and strength. Geoff doesn't know how to side step and his courage is often an inspiration to the side.

Altona had a winning centre line in MAL TISDALE and his left and right hand men, BARRY HOGAN and GRAHAM CUMMINS. All three players were responsible for keeping the team in attack with accurate and intelligent disposal. Barry Hogan is having his best season ever and has picked up an extra yard of pace.

IAN HARRINGTON was an intelligent centre half-forward, creating opportunities on the forward line with strong marking and well applied vigour.

GRAHAM MORRIS (first senior game) showed potential on a half-forward flank. With his speed and ability to get up high, he should prove an acquisition when he settles down.

JIM REILLY was elusive on the other flank and was unfortunate to be the recipient of an unnecessary elbow late in the last quarter. Jim had to leave the ground and was later discovered to be suffering from a depressed cheek bone. He was operated on at Footscray District Hospital on Wednesday.

GARY MUNRO was strong at full forward and finished with four goals. "Derby" is a much stronger player this season, and the side is benefitting accordingly.

DEL YORK is starting to hit his straps in the ruck and gave his best game to date. Del never stops trying and is a continual thorn in the side of the opposition.

RON SCHWABE was another effective ruckman who dragged down some splendid marks. He capped a good game with two fine goals.

DAVE WHITMORE, playing his first senior game, should prove a good utility player.

NOEL ROHLDER gave another excellent exhibition of roving. His four goals were a fitting reward for football intelligence and know-how well above average. The younger players can learn a lot about football by watching Noel in action.

MARIO PIOVESAN is beginning to settle back into the side and when the big fellow hits top form, Altona can confidently expect a lot of drive from him.

Generally the whole team combined better and their backing up, faster and more purposeful tackling, quicker positioning and getting the ball on into play was a big improvement.

SECONDS DOWN TO RESERVOIR

Although the second XVIII were beaten at Reservoir last Saturday, they were far from disgraced.

Taking the field with only 17 players Altona carried on undaunted and are to be commended on a game and spirited effort.

With 10 players unavailable for selection the seconds suffered accordingly. However, this Saturday will be a different set-up and the seconds can confidently expect to notch their first victory with several players becoming available.

They can now look forward to being a real threat for the final four.

BEST: Brian Skinner, Philip McLean, Morrie Tisdale, Robin Petersen, Lou Thompson and Dennis Hardam.

NEXT MATCH

The SECONDS are at home to Thornbury this Saturday. Go along and cheer them to victory.

The SENIORS travel to Thornbury this Saturday and this has become a must game. Thornbury are formidable opponents and the game should provide the best features of our Australian code.

The ground is at Hayes Park, the second street on the left down Victoria Road from the corner of Dundas Street and Victoria Road.

HOCKEY RESULTS

A RESERVE

Altona defeated Waverly 1-0 in the A Reserve hockey match last Saturday.

C NORTH

Playing Brunswick at Altona, the home side were struggling against a strong team and were soon one goal down. Altona, with hard play in the circle, then enable Grant to goal, leaving the score at one all at half time.

In the second half Altona played the better hockey with Ford converting two penalty flicks and a goal by Docker. Altona went on to win 4-1.

BEST: Turner and Forrester.

C WEST

Altona met Ajax at Albert Park and were defeated 2-0. Ajax proved to be the better side and only good play by Altona's back lines prevented many more goals.

BEST: Symons and Lenszyn.

D NORTH

Altona, a young energetic side, met an experienced side in Essendon Grammar School Old Boys at Essendon Grammar. With pressure play by both sides Altona hesitated on the forward line. EGSOB were able to score two goals by half time. With positional changes Altona came back and soon had the EGSOB worried, but were again unable to score. EGSOB broke away to score a goal and then converted a penalty corner to win 4-0.

BEST: McCarthy, Greenfield, Henshall and eight others in a very even side.

UNDER 16

Altona were slow to begin, letting Melbourne High School Old Boys get on top. With good play from Hunter and Ford and with Forrester on the half line, the team began to play hockey. Altona scored three goals before half time.

The pattern of play in the second half changed, with more control and positional play being exhibited by Altona, who by this time looked a good side and went on to win 4-0.

GOALS: Ford 3, Hunter 1.

BEST: Lenszyn and Ford.

UNDER 14

The season so far put the team to the test with the result a 2-2 draw.

At first Altona held its own and looked like taking the game away from Essendon, but they failed to convert their chances in the circle. A quick goal by Essendon in reply to Altona's equaliser left most of the team flat footed and showed that concentration must be kept at all times.

Several good clearing shots from Lukoszek in goals relayed through the half line rallied Altona, allowing them to score the equalising goal a few minutes before the final whistle.

GOALS: Duncan 1 and B. Smith 1.

BEST: Duncan, Lukoszek and B. Smith.

LADIES HOCKEY

B GRADE

Altona B Grade lost to Bentleigh 6-1.

Going into this game with some positional changes, Altona went into attack, but were turned back by some good play by the opposition goalie. Bentleigh came through with some fine play on the forward line to score the first goal of the match. Altona retaliated with a pass to Vi Smith, who made no mistake to level the score. Bentleigh came again to make the score 2-1 at half time.

After half time Altona went to pieces. There was no system in their play. They did not back up or help each other and Bentleigh went away with the game with no opposition. If Altona are to consolidate their position in B Grade they will have to pull their weight and do as asked.

BEST: M. Lucoszek, R. Hayes and P. Willett.

FOOTBALL

INJURED PLAYERS

Peter Huggins, recovering from a bruised heel, expects to train and be fit for selection this Saturday.

Barry Locke (work commitments) expects to be available for the first time this season.

Keith Thompson will be unavailable for the next two to three weeks due to work.

Tim Gurry (knee) may be able to train this week.

Paul Itter's ankle is responding to treatment and he hopes to train and be available for next Saturday.

Ray Monahan (ankle) may be able to commence training next week.

John Piovesan will be available again this week, as will Gary Waycott, who both missed last Saturday due to work.

Dick Buckingham is gradually strengthening his knee after a cartilage operation and could be back in full training within the next two weeks.

Jim Page should be due to commence training in two weeks time.

Jim Rielly, who received a most unnecessary blow from an elbow last Saturday, was operated on yesterday (Wednesday). Jim will probably be out for two to three weeks and his absence will be sorely felt. This young fellow has a lot of potential and is assured of a bright football future.

MEN BEHIND THE PLAYERS' FITNESS

Often the unsung heroes of a football team are those people who remain in the back ground.

Namely, the trainers and first-aid men are a most essential part of any football club and Altona is lucky to have the services of some knowledgeable and competent people in this regard.

Head trainer Mr Nick Noone is doing an excellent job tending to the injuries of players. Nick is on tap Tuesday, Thursday, Saturday and Sunday mornings and with his dedicated attitude is an invaluable asset to the club's function.

Nick is ably assisted by Mr Les Wenlock (jack of all trades) and Mr Ron Hogan.

Mr John Gurry looks after the second XVIII players on a Saturday and would be happy to have someone to assist him with the rubbing down, etc.

Altona are well served with St. John Ambulance men in Mr Ken Marsh and Mr Bill Noonan and their cadets. These men attend all games and their expert services are a most grateful acquisition to the Altona Football Club.

Altona D North defeated Sunshine 1-0.

These girls are playing as a team and beginning to talk to one another. In the first half forwards could have scored more goals with some hard hitting in the circle.

GOAL: J. Erickson.

BEST: C. Harley.

D RESERVE

Altona D Reserve lost to Blackburn 9-0.

The third team, playing Blackburn, last year's premiership, found out just how weak they are and how much practice they need. At half time Blackburn led 7-0, but Altona managed to hold them in the second half. Playing on a decent ground it could have been a different story for the Blackburn ground would be one of the worst in Melbourne.

ALTONA NORTH TECH. BASKETBALL

Ants success in the Victorian Championships is somewhat limited, except for the marked improvement of the No. 1 squad, which looks like being a big contender for the finals.

The talent in all other squads is very good, but they are finding it hard to improve their game, which they must do to win games.

UNDER 18 A GRADE
ANTS v. DEMONS.
Demons didn't open with their usual sting and were obviously having trouble with the umpires. John Hay and Ray Robison were in all the action early but their valuable shots were not hitting, and even Joe Bilas was finding the going tough against Demons' big boys. But still Ants were out-scoring a weak Demons' offence. Then Cec Grzybek started to fire, collecting a good many foul shots, and Bill Anderson's set shots were finding the right mark. The game was marred slightly by the Demon's coach practically giving the game away, which saw many fouls called and a general slowing down of play.
FINAL SCORES: Ants 26 (Grzybek 10), defeated Demons 14.

UNDER 18 B GRADE
ANTS v. ST. KILDA P.B.C.
Ants faced a rather junior Saints, but because of their reputation, backed down from an all-in collision. Saints had a decided advantage in height and skill, but Ants have a reputation for overcoming such handicaps. Bernie O'Malley and John Hinkley were having a hard time subduing Rod Tobin, and Paul Ebeyer was finding it hard to penetrate a well set defence. All of Ants' efforts to hold Saints failed except for a few good patches of defence by Brian Hackle.
FINAL SCORES: St. Kilda Police Boys Club 23, defeated Ants 15 (O'Malley 6).

UNDER 16 A GRADE
ANTS v. CHURCH.
In typical Church tradition, led by giant Paddy, Ants were knocked into a daze and did not let them make a bid for a win. Even Robert Smithwick and Philip Elg had a very hard time getting inside a powerful Church defence, which is probably the best in the competition. The opening left by Brian Russell was letting many a Church player through, where his strong frame would have held them out. Ross Leader and Herman Erkhamps, although throwing everything they had into the offence, found the barrier impossible to break through.
FINAL SCORES: Church 43, defeated Ants 18 (Smithwick 6).

UNDER 16 B GRADE
ANTS v. LYNDON LODGE.
All guns were go and the Lodge floundered badly early and Ants gathered many a rebound to sweep into a well organised offence. Ian Barker and Terry Sheahan were setting up a good looking defence and when Russell Bentley made the scene every movement worked like clock work. Lodge didn't once look like being a big threat, but their lack of skill not once stop them from jumping in and giving all they had.
FINAL SCORES: Ants 20 (Sheahan 8), defeated Lyndon Lodge 6.

UNDER 14 A GRADE
ANTS v. CHURCH.
Ray Henderson and Dave Luck were right in the fray from the very beginning but all their efforts could not work a good enough defence against a much experienced Church. All the Church shooters were hot, but only Jeff Carruthers

could manage to score regularly. Church supremacy was well-known on the court and only on a few occasions did they look at all confused by the Ants offence. Even though Peter Stirling and Chris Ridge were trying to get the ball in Ants basket they could not manage all alone.
FINAL SCORES: Church 43 defeated Ants 24 (Carruthers 9).

INTRA-SCHOOL MATCHES
With one match postponed by rain, ladder positions for this week are still in doubt. However, there's no doubt at all about one thing—Saints, Playboys and Wildcats have a strangle hold on the top three places.
Wildcats 61 (Travis 28), defeated Fugitives 20 (Baker 8).
Playboys 38 (Hinkley 18), defeated Mods 24 (Karpinski 14).
Saints 58 (Erkhamps 24), defeated Azteks 17 (Gunstone 9).
Oddbods 20 (McCulloch 6), defeated Allstars 16 (Wagner 13).
Arabs 31 (Hendry 12), defeated Devils 12 (P. Ebeyer 6).

UNDER 18 B GRADE
ANTS v. ST. KILDA P.B.C.
Ants faced a rather junior Saints, but because of their reputation, backed down from an all-in collision. Saints had a decided advantage in height and skill, but Ants have a reputation for overcoming such handicaps. Bernie O'Malley and John Hinkley were having a hard time subduing Rod Tobin, and Paul Ebeyer was finding it hard to penetrate a well set defence. All of Ants' efforts to hold Saints failed except for a few good patches of defence by Brian Hackle.
FINAL SCORES: St. Kilda Police Boys Club 23, defeated Ants 15 (O'Malley 6).

UNDER 16 A GRADE
ANTS v. CHURCH.
In typical Church tradition, led by giant Paddy, Ants were knocked into a daze and did not let them make a bid for a win. Even Robert Smithwick and Philip Elg had a very hard time getting inside a powerful Church defence, which is probably the best in the competition. The opening left by Brian Russell was letting many a Church player through, where his strong frame would have held them out. Ross Leader and Herman Erkhamps, although throwing everything they had into the offence, found the barrier impossible to break through.
FINAL SCORES: Church 43, defeated Ants 18 (Smithwick 6).

UNDER 16 B GRADE
ANTS v. LYNDON LODGE.
All guns were go and the Lodge floundered badly early and Ants gathered many a rebound to sweep into a well organised offence. Ian Barker and Terry Sheahan were setting up a good looking defence and when Russell Bentley made the scene every movement worked like clock work. Lodge didn't once look like being a big threat, but their lack of skill not once stop them from jumping in and giving all they had.
FINAL SCORES: Ants 20 (Sheahan 8), defeated Lyndon Lodge 6.

Baseball NEWPORT LOSE THROUGH ERRORS

A TEAM
At National Park last Saturday Collingwood defeated Newport 4-3 in a close game. Because of Newport's poor fielding display, this team had to concede defeat to Collingwood. The side appeared to be upset by the windy conditions and the unevenness of the infield surface.
The luckless Stuart Crossman gained some support from the batting which, although not as good as in previous matches, gained enough bunched hits to score three runs.
BEST: Stuart Cross, Geoff Butlin and Don Wandell.
This week the strong Caulfield team will journey to Newport and a much improved display is expected by all. The match will start at 12.30 p.m. at Newport Oval.

B TEAM
Newport defeated Collingwood 12-10.
Following early lapses in both fielding and batting, the B Team proved themselves to be a courageous side by emerging victorious after being down 9-4 with heavy batting by all players with Tom Gray and Alan Solomano both collecting home runs. This young team overhauled Collingwood in the latter stages of the game and won 12-10.
BEST: Don Cornish, Alan White and Tom Gray.

C TEAM
Newport defeated Collingwood 16-1 in a very one-sided game.

UNDER 16
Newport lost to Essendon 15-1.
Newport played well for two innings and lapsed into errors in the third to allow Essendon to score 10 runs and then failed to bat against the good Essendon pitching.
BEST: Trintini, Gresh and Lees.
This side badly needs Under 16 players. Any boys interested are asked to attend practice at Digman Reserve, High Street, Newport, at 9.30 a.m. Sunday mornings.

UNDER 14
Under 14 drew with St. Paul's, Altona North, 3 all.
The battery did a good job to keep St. Paul's to a draw as Newport were weakened by boys attending a school camp.
CLUB DANCE
All members are reminded of the next club dance to be held in the club rooms at Newport Oval on Saturday, May 21.

Soccer Win To Altona

Steve Herman and "Smiler" Holland worked the double act to perfection on Saturday. Time and time again they made openings for each other and had it not been for the Moonee Ponds players foul play the score would have been much more than 3-0 in favour of Altona.

Shrewd tactics on the part of coach Mario Grecco in electing to kick with the wind in the first half and asking his players for an all out attack in the first few minutes certainly upset the opposition.
Altona swarmed around the Moonee Ponds goal like bees round a honey pot and in the first five minutes were two goals up.
The first came when Billy Coles beat the full back and shot the ball to "Smiler" Holland, who, with a flick, pushed it through to Steve Herman and wham, it was number one.

The next one saw Billy Liddell pass to "Professor" Wilkie, who pushed it on to Holland and quick as a flash it was laid on a plate just on the edge of the box. In charged his partner in Steve Herman and from 18 yards out unleashed a thunderbolt and into the corner of the net flew the ball.
The Altona boys went wild with joy. At long last they were scoring goals which had been eluding them for so long.
As the game went on the spoiling tactics by the hard pushing Moonee Ponds defence was uncalled for. Repeatedly they hacked and kicked the much superior Altona forwards and all credit to the lads for standing up to this like true sportsmen.

In the second half Altona supporters were worried as to whether Altona could play the type of game which was needed to keep in the hunt for two much wanted points. Well the answer was supplied by Andy Rice. He broke up the first attack and stroked the ball like a veteran to Craig Copley. He gave a square pass to Bobby Milloy. Off went Milloy like a young stag, jumping over legs which were intent on bringing him to the ground. He gave the ball to Billy Liddell. The sighs could be heard all over the ground as he let go a drive which took the paint off the bar as it screamed over. From then on it was all Altona and only once did Arthur Wetnall in the Altona goal handle the ball and that was a pass back by Chris Karamakos. Arthur threw accurately to Steve Herman, who galloped off upfield. One after the other he raced past opponents. Lurking just behind him was Holland, who gratefully accepted Herman's pass and with a low drive beat the goalkeeper and it was number three for Altona.

Bill Wilkie was weaving his way through when he was hit from behind and Altona received a penalty kick. Mario Grecco took the kick, but what he did not know was that Altona is famous for missing them and Grecco's shot duly obliged by hitting the post for another miss.
A good performance by Altona. Next Saturday they go to Ferntrees Gully and a hard tussel is expected for points are hard to get in Division 2.

RESERVES
Altona Reserves were too strong for Moonee Ponds and with clever play by Alan Wynne and Stewart Perry, they ran out comfortable winners by three goals to one.
UNDER 12
Altona Under 12's got the ball moving again and beat Newport 5-1. A big improvement from last week.

POOR ATTENDANCE AT PEDAL CLUB PRACTICE
The small number of riders who attended practice last Sunday was disappointing to officials of Altona Pedal Club who want to see locals take off more of the honours at the monthly rallies.
One prospective new member showed a lot promise and with practice could become one of the club's best small riders.
The next rally is at Coburg on May 29th.
A meeting of the Club will be held next week, on Friday May 20th, at 8 p.m. at the Homestead, 128 Queen St.
Silver Pedal Results 7-5-66 89-141-13.

BODY BUILDING CLASSES
Body building classes (not weight lifting) are being held for boys of 14 years and over at the Altona Youth Club in Civic Parade each Friday and Monday nights at 7.30 p.m.
The classes are under the control of a full qualified instructor and any interested local youths may attend.
The Under 14's and 16's are training hard, and while they are finding it hard to win a game gradual improvement is noticed.
ALTONA WEST
Altona West fought gamely on Saturday against Sunshine B and it was only in the last few minutes Sunshine scored the only goal of the game.
The Altona Soccer Club wishes to thank the public of Altona for their financial support and encouragement in their endeavour to start these junior clubs going.

DASHING WIN BY
ALTONA UNDER 18

Altona scored a brilliant win at Laverton on Sunday with final scores being Altona 18.13.121 to Laverton's 0.1.1.

The first and second quarters were quiet, with Laverton holding Altona. Laverton's rucks were on top for the first half, but their rovers were letting them down badly. Altona's rovers were picking up nearly all the knockouts, with Sam McFadyen kicking seven goals.

Full forward for Altona, T. Hogan, was in top form and his brilliant marking was a feature of the game.

The third and last quarters were all Altona. They won in nearly all positions, especially the back line, half back and centre. Full back Riley and wingman Peachey dominated. Altona's ruckmen took over and Laverton lost any chance they had of lifting their game.

BEST for Altona were Peachey, Hogan, Riley, Thomson and McFadyen.

GOALS: T. Hogan 10, S. McFadyen 7 and W. Salisbury 1.

ALTONA UNDER 16 HAVE FIRST WIN

Playing only their second game Altona had a good win against Devon Park at Soldiers Reserve last Saturday.

Final scores were 8.9.57 by Altona to Devon Park's 6.8.44.

Showing a big improvement from the previous game the locals battled hard and at times played good football.

Given a few more games these lads will develop into a good side providing they show a little more keenness at training and a will to win games.

BEST for Altona were S. Adams, R. Zapart, G. Hardman, P. Thompson and H. Zapart.

VOTES

S. Adams 3 votes, R. Zapart 2 and G. Hardman 1.

Special thanks to the parents who helped with transport of the boys to Werribee.

Easy Win to Laverton

ST. ALBANS v. LAVERTON

St. Albans went in hard from the first bounce and made it very hard for the Magpies to break away to their play-on game last Saturday. Laverton were unsettled, but their strong goal to goal line held firmly to keep them in the game. Geoff Cameron flashed into play and passed to Trevor Sewell, who kicked Laverton's first goal. At the first change St. Albans led 2.2.14 to Laverton's 1.4.10.

The first five minutes saw still more pressure coming from the Saints. Peter Hertsack, the Magpies full back, repeatedly broke away from the packs and with long drop kicks, put the Magpies back into attack.

Half way through the quarter Laverton found themselves. Geoff Cameron took control of the centre, Graeme McKenzie took control at centre half forward, Trevor Sewell was on top at full forward and Ron Cameron was winning at centre half back. Laverton added 5.3.33 to the Saints 1 behind in this quarter.

Laverton's fast play-on football completely over powered the Saints. T. Sytema and G. Dickson were starring in the rucks and J. Waterworth was roving well. J. Pyne was smart around the goals and snapped three majors. G. McKenzie kicked four of his six goals in this quarter. The ball never passed the centre half back line. Every Laverton player was on top.

At three quarter time the Magpies let 13.15.93 to 2.3.15.

Pine ruck work by J. Hall put the Magpies into attack again, but St. Albans, fighting back gamely, raced the ball to their forward line and snapped a behind, their first score since the first half.

However, Laverton, through the agency of Hall and Sewell, added another three goals to seal the game for Laverton.

Final scores were Laverton 16.18.114, to St. Albans 2.4.16.

BEST: G. Cameron, G. McKenzie, J. Waterworth, T. Sytema and G. Dickson.

GOALS: G. McKenzie 6, T. Sewell 3, J. Pyne 3, J. Hall 3, G. Cameron 1.

163 POINT WIN TO CENTRALS U.18

Central Altona, stronger in all departments, came out easy winners against Newport.

From the first bounce Centrals were consistently in attack and only for bad kicking in front of goal would have won by more.

Even though the victory in this game was overwhelming there is still room for improvement in this team and with four players still to come in to the team, Centrals will be a definite force this season.

Final scores was Central Altona 24.25.169 to Newport's 1.0.6.

BEST: M. Lawrinns, consistently gave drive with a perfect display of ruck and forward work. W. Kennedy, spectators probably thought there were twins on the oval as Bill seemed to be everywhere. R. Smutney, a stumbling block to the Newport forwards each time the ball came over the centreline. A. de Michael, R. Hendry, R. Harris and T. Rowhard.

GOALS: Montgomery 7, Lawrenns 6, de Michael 4, Davies 3, Kennedy 3, Harris 1.

GOALS (Altona East): J. Flack 1, G. Sellman 1, B. Rodgers 1, W. Bakker 1.

BEST (Altona East): R. Caldwell, W. Tribe, W. Harden and J. Herman.

Before the matches Altona East head master, Mr C. G. Duffy, welcomed the Altona North teachers and children at assembly and Altona East basketball captain Marion Colquhoun expressed hopes for a good afternoon's sport. Altona North captain, Helen Makin, responded.

CENTRALS DECISIVE WIN OVER ALBION

Before commencement of play in the Central Altona v. Albion match last Saturday, Cr A. W. Bond made the presentation of the 1965 premiership flag to Centrals' captain-coach, Brian Trevean.

Central Altona, kicking with the wind in the first quarter, went to a handy lead of 6.5.41 to nil. Albion attacked from the bounce in the second quarter, but strong defence from Centrals, led by M. Sayers, H. Smith, J. Murrell, kept Albion down to four points for the quarter. At half time Centrals led 7.8.50 to 0.4.4.

The third quarter saw Centrals forward line a little off target when they kicked 1.8.14 from some very easy chances.

With all life and fire gone out of the game, Central Altona coasted home to win very easily 9.20.74 to 1.6.12.

BEST: D. Kakoschke, a clear winner all day roving. T. Holland, consistent drive from the centre. M. Sayers, a driving force all day from the backline. J. Lott, K. Murrell and H. Smith. Full forward J. Carroll was unfortunately off target, kicking six behinds.

GOALS: D. Kakoschke 3, T. Holland 2, G. Coulston 2, D. Robinson 1, R. Horbin 1.

ALTONA NORTH TECH. SPORT

SQUASH

In the second round of the inter-tech. squash Altona Nth played Footscray in a return game. Altona North continued on its winning spree and set a high standard of play. Playing for the first time Zdistov Sczeerbe showed a lot of heart and went on to win the next two games after losing the first. Although not as fortunate Konrad Kolaritsch kept going until the very end. Both Ted Jones and Stephen Milan won their rubbers. Going by present standards one can say that things look bright for the ANTS squash team. Final scores were Altona North 3 rubbers 6 games 69 points, defeated Footscray 1.5.69.

SOCCER

ANTS v. FOOTSCRAY.

In the first half against a strong wind Altona North displayed some very good soccer. With the whole team combining and good passes, Altona North went forward time and time again, giving the Footscray defence some very uneasy moments. After many repeated attacks Altona North scored at the 20 minute mark through Fraser, who had been playing a fantastic game. Ten minutes later Gladysz kicked a corner perfectly to Dellymine, who headed it in for Altona North's second. Footscray then tried desperately, but they found Altona's half back line hard to crack as Lever, Evans and Gladysz were playing very well. At the interval it was 2-0.

In the second half Altona North lapsed badly and if not for the half back life they would have lost. The forwards started to play badly, throwing away many chances and Footscray, if they had more combination in their play, may have scored goals. The end came at the 25 minute mark when Fraser knocked in a strong ball, putting an end to Footscray's chances of winning. The final score was 3-0.

BEST: Fraser, Evans, Kobolyrak, Lever and Gladysz.

BASEBALL

Because of the rain early, this game against Footscray became one of many errors. The whole team played well, but the following played exceptionally well. Dennis White who hit a home run and played safe game at third base; Wayne Gordon, pitched excellently; Brian Hoyland did a good job at batting and at second base. Final scores were Altona North 11 to Footscray's 3.

SAFE HITS: Gordon, Lee, Hoyland and White.

LACROSSE

Altona North had their first win, defeating Footscray 10-4.

At the end of the first quarter the scores were tied at 3 all, and through the carelessness of a few players, Footscray scored one more goal. Victory was undoubtedly due to superior team work and a greater defence.

BEST: M. Cody, P. Buckley and K. Little.

GOALS: J. Butkovich 3, G. Smoult 3, G. Eagland 2 and K. Little 2.

Council Officer and Father Assaulted

Mr. J. F. Kean, S.M., accepted evidence at Williamstown Court last week of former assistant superintendent of parks and gardens at Williamstown, William Stubbs, now a nurseryman at Macedon, and his father, Arthur Stubbs, of Lenore Crescent, that they had been assaulted at the Williamstown Gardens on January 9 by a Greek migrant, Theoharis Sietanidis, of Mills Street, Altona North.

Charges against William Stubbs and Arthur Stubbs that they had assaulted Sietanidis were both dismissed.

This was a civil case and three barristers appeared. Mr. Dove represented William Stubbs, Mr. Shannon for Arthur Stubbs, and Mr. Dunphy for Sietanidis.

The magistrate said he preferred the evidence given on behalf of the Stubbs to that given on behalf of Sietanidis, and was satisfied beyond reasonable doubt that no assault had taken place on Sietanidis.

Although both cases against Sietanidis have been adjourned for twelve months upon him entering into a good behaviour bond of \$20, and no convictions have been recorded, the court hearing has been a costly one for him.

He was ordered to pay costs of \$142.12 as regards the charge brought by Arthur Stubbs.

In addition, he will have to pay his own legal costs. The first day of hearing of the charges was on March 2, when evidence was given by

Sietanidis, his wife and two doctors.

Dr. Clark, who examined Sietanidis, said the latter had abrasions on the forehead, the left cheek, a large lump on the right side of the jaw, areas of tenderness over the left ribs and right shoulder blade and abrasions on the left knee.

The doctor issued a certificate for four days off work.

On William Stubbs the doctor found teeth marks above and to the left of the shoulder.

Because of the illness of one of the barristers the case was not resumed until April 27.

Constable Mayes testified that on January 9 Sietanidis came to the police station and asked him to go to the gardens. Witness had previously received a telephone call on the same subject.

He went to the gardens and after questioning the people concerned the police declined to take any action.

Mr. Dunphy: Mr. Sietanidis insisted at all times he was assaulted without provocation? Yes.

William Stubbs gave evidence that on January 9 he was wearing his identification badge as a Council officer.

Sietanidis drove up near the entrance gates to the Williamstown Gardens in a taxi, and with his wife and two children alighted.

Sietanidis entered the gardens wearing bathing togs. Witness spoke to him about this, as it contravened a by-law, and also about a young child urinating on the path outside.

Sietanidis said, "I'll kill you," and used an indecent expression twice.

Witness left to ring the police but the office at the Council lodge was closed.

On his way back he saw Sietanidis attack his father, and fall on top of him.

They had broken away by the time witness ran back. His father was badly bruised about the face and was bleeding and seemed to be in a state of shock. His mother was upset.

Witness went away again and returned and said, "I'll definitely have to get the police".

William Stubbs continued his evidence:

"He rushed me and put his arms about me and pressed me against the rail fence.

"He bit me on the chest and kneed me in the groin and kicked me about the upper leg.

"I managed to get two punches into him.

"My father came to my assistance. Sietanidis walked away. I had three sets of teeth marks on my body and was sore around the groin."

Arthur Stubbs testified that the first time Arthur went away Sietanidis said, "Where did that man go?" Witness replied, "I think he's gone to ring the police."

With that, Sietanidis said, "I kill you, I murder you, I tear you apart, me wrestler."

"He tripped me up with his foot and I went to the ground," said witness. "I was on my back. He went down with me. He butted me with his head."

"He had a ring on and was tearing my face with this ring. I was trying to push him off."

Mrs. Gwen Stubbs gave evidence of a similar nature to that given by her husband and son.

St. John Ambulance Cadets Inspected

The annual divisional inspection of local St. John Ambulance Cadets was carried out at the Altona Youth Hall in Civic Parade last week.

It was a combined inspection of the Altona and Altona North Cadet Divisions.

Leaders of the St. John Cadet movement, Mr. Ashley Mason and Mr. Ern Madley, both district officers, and Mr. George Gilmore, corps officer, examined all aspects of the local divisions.

The St. John Altona Shire Council representative, Cr G. den Dulk, Dr John Leyden and Mr T. McGarry of the Altona Youth Club, attended.

A special guest was Mr Robinson of Blyth Street, who has retired through ill-health from active St. John work.

ALTONA RESIDENT BUYS RACEHORSE

Mr George Szewde, of Bent Street, Altona, and his partner in a Melbourne engineering business, Mr John Peters, are the new owners of the three-year-old colt, King Star.

The partners paid \$7350 for the colt at a sale at Newmarket last Friday.

Of the 75 lots sold, King Star was one of the two horses which dominated the bidding. Caulfield trainer, Gordon Steward, who has had King Star since he was a two-year-old, will continue to train the colt.

The three-year-old, having its first run for the new owners, finished sixth in the Lonsdale Stakes at Sandown last Saturday.

Hand Weaving at Altona Youth Club

Hand weaving lessons for both boys and girls of 12 years of age and over are available each Monday afternoon now at the Altona Yacht Club in Civic Parade.

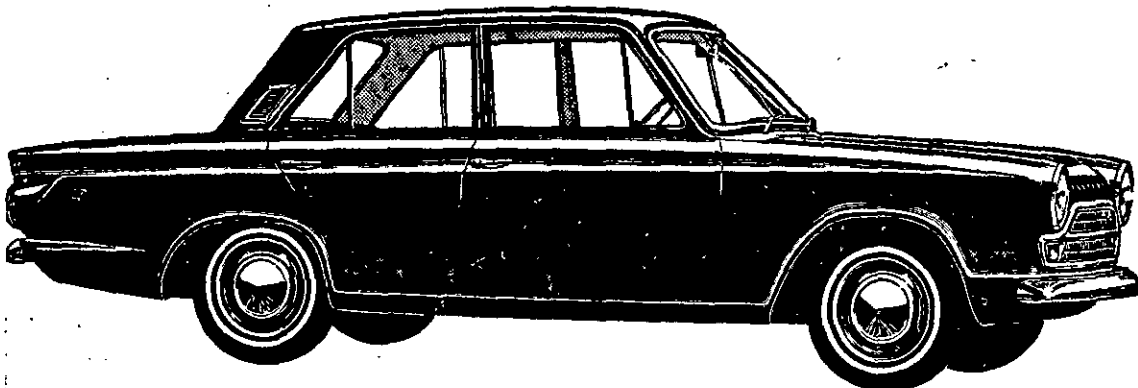

Six looms from 14 ins. to 32 ins. width have been set up ready for weaving face washers, scarves (in Footscray and South Melbourne Football colours) cushion covers and hand towels. As the weavers progress they can if they desire weave lengths of 30 in. width materials in their favourite tartans.

The Club has been promised another six looms.

The craft classes from 4.30—6.0 p.m. each Monday are open to any interested youngsters.

As this time will probably not suit workers they can ring 65-8808 and a suitable time will be arranged for them.

BURGLARS IN BORRACK SQUARE

In the Square itself the only street light is a small one in the south-west corner. When the lighting in the shops and outside the Altona Bowl is extinguished, complete darkness descends on the Square. Darkness also shrouds the many back entrances in Duke Street. Here, too, there is only one small light at the northern end.

Police protection is provided by Kingsville Police Station. This station, which is three miles away, has one small car to cover an area of approximately 12 square miles with a population around the 40,000 mark.

Kingsville has extra duties which include covering football, races, trots and traffic on Princes Highway. A lot of time is taken up collecting money for private enterprise and paper work which ties the police down to office duties. Most of the police would prefer to be out working around their district. Court work is another time waster—it can take a quarter of an hour to eight hours out of a policeman's working day.

It is impossible for six policemen and one senior, with their one small car, to adequately cover the Kingsville Police Station area.

Urgently needed is the proposed Altona North Police Station, which would be closer to and provide better protection for the shops, banks, post office, and other businesses which have become established in the rapidly growing Altona North area.

The Altona Shire Council has tried many avenues in attempts to have the station built and operating within the near future.

The latest information is in a letter from the Minister of Public Works to the Hon. Cr. A. W. Knight, M.L.C. An extract reads—

"Regarding the proposed police station in the Altona North area, a scheme is currently being prepared for submission to the Chief Secretary."

THEFT FROM CENTRAL HOTEL

A quick thief robbed an entertainer at the Central Hotel of musical instruments valued at \$460 last Saturday night.

Just after 10 p.m. the musician rested his saxophone and flute on a chair, but on returning minutes later, there was no sign of them.

The theft was reported to Kingsville Police.

BOYS CHARGED FOR STEALING

Three 15-year-old lads have been charged at Kingsville Police Station with house-breakings and stealing push bikes from the Altona North-Newport areas.

They were caught ransacking a house. The owner returned home and was able to hold the lad acting as look-out. The other two fled and got away, but later were apprehended by the police.

All three live in the area in which they had been operating.

NOISE BY-LAW IS MADE

The Prevention or Minimising of Noises By-Law was made by Altona Shire Council this week.

Cr A. W. Bond, who has been impatiently waiting this control, is losing no time in testing the effectiveness of the by-law.

He has in the past been most vocal on the problem of loss of sleep suffered by residents in the vicinity of several Altona North factories from which loud noises issue at night.

Therefore, he was very sympathetic to a resident who complained of noises from a backyard factory operating in Wally Court.

Cr Bond moved that a strongly worded letter pointing out the conditions of the by-law be sent to the owner of the factory and he added he will personally follow this matter up to see that operations comply with the by-law.

Refugees Being Assisted

Refugees from Red China suffering from hunger and malnutrition are pouring into the tiny Portuguese settlement of Macao, about 30 miles from Hong Kong, at the rate of 40 a day.

The refugees usually cross over on dark stormy nights using a rubber tyre to keep the baby and precious possessions afloat and crouching low to avoid capture from armed Communist guards and gunboats.

It is estimated by local officials that at least 200 of these refugees are drowned each month in their desperate bid to escape by swimming the estuary of the Pearl River which takes about six hours against strong currents.

In a race to help Macao authorities grow sufficient food to support the ever increasing population, the Macao Freedom from Hunger Campaign project is being rushed to completion.

This Australian project which is being jointly sponsored with the Portuguese Government, will provide the vital water link between the two offshore islands by means of a causeway and pipeline which will carry water to the previously arid island of Taipa.

When completed, the causeway with its water supply will enable food to be grown on Taipa Island on previously non-arable land. The project will also permit a substantial area of new land to be reclaimed from the sea for rice and vegetable growing.

The Australian in charge of the project is Mr. W. McCoy, of Sydney, who is a representative for the United Nations High Commissioner for Refugees.

The cost of this new project is in excess of A\$50,000. It is but one of 28 such projects being currently sponsored by the Freedom from Hunger Campaign now being conducted in Victoria.

Donations to the campaign should be sent to the Director, Freedom from Hunger Campaign, 37 Swanston Street, Melbourne.
